Chapter 16-240 WAC

WSDA GRAIN INSPECTION PROGRAM—DEFINITIONS, STANDARDS, AND FEES

WAC 16-240-010 Definitions.

"**Department**" means the Washington State Department of Agriculture

"**Federal fiscal year**" means October 1 through September 30 for GIPSA, FGIS.

"**Fee**" means any charge made by the department for:

- (1) Inspecting and handling any commodity; or
- (2) Any service related to weighing or storing grains or commodities.

"**Fiscal year**" means July 1 through June 30 for the state of Washington.

"**GIPSA, FGIS**" means the United States Department of Agriculture, Grain Inspection, Packers and Stockyards Administration, Federal Grain Inspection Service.

"**Metric ton**" means two thousand two hundred four and six-tenths pounds.

"**Minimum operating fund balance**" or "**MOFB**" means six months of grain inspection program operating expenses.

"**Official commercial inspection services**" means a contractual agreement between the applicant and the department for services specified by the applicant that will be provided at an applicant's facility.

"**Revenue minimum**" means the amount of revenue that must be collected by the department to offset expenses. In order to act as an official inspection agency under the United States Grain Standards Act and the Agricultural Marketing Act of 1946, the program must collect revenue to offset expenses. The Grain Inspection Program is supported entirely by the fees it generates from the services it provides as required by RCW 22.09.790. The circumstances under which charges occur to collect the revenue minimum are stated in WAC 16-240-038.

"**Service point**" means the Washington State Department of Agriculture offices and surrounding service areas authorized by the Federal Grain Inspection Service to provide sampling, inspecting, weighing, and certification services.

"**Shift**" means an established period of staffing for up to 12 hours at transloading facilities or up to 8 hours at export port or domestic service point locations. Service requests in excess of the established period would require requesting an additional shift. Any work beyond the established shift period constitutes an additional shift.

"**Unstaffed export locations**" means a facility that does not have a permanent staffing request in place for day, night, swing, or graveyard shifts.

"**USDA**" means the United States Department of Agriculture.

WAC 16-240-020 Washington state grain and commodity service points. The offices located in the following cities are service points for providing sampling, inspecting, weighing, and certification services.

(1) Service points:

- (a) Colfax
- (b) Kalama (North)
- (c) Kalama (South)
- (d) Longview
- (e) Olympia
- (f) Pasco
- (g) Seattle
- (h) Spokane
- (i) Tacoma
- (j) Vancouver

(2) Aberdeen has been established in Washington state as a service point by the Federal Grain Inspection Service. Services for Aberdeen are as follows:

- (a) Services for Aberdeen may be requested through the Tacoma Grain Inspection Office.
- (b) Travel time and mileage will be assessed from Tacoma to Aberdeen for all services requested at Aberdeen until a permanent staff is established.

(3) Inspection points may be added or deleted within the department's delegated and designated service area.

WAC 16-240-030 Commodities covered by chapter 22.09 RCW. Commodities covered under chapter 22.09 RCW and this chapter with respect to sampling, inspection, weighing, and quality or constituent determinations include all:

- (1) Grains with standards or inspection criteria established under the United States Grain Standards Act;
- (2) Commodities with standards or inspection criteria established under the Agricultural Marketing Act;
- (3) Commodities with standards or inspection criteria established under Washington state standards; and
- (4) By-products resulting from conditioning or processing the grains and commodities listed in this section.

WAC 16-240-032 Grades and standards adopted by Washington state. Washington state adopts the following grades and standards:

- (1) The grades and standards established by the United States Department of Agriculture from August 1, 1984, and as subsequently amended, that apply to all grains and commodities regulated by this chapter.
- (2) The procedures to sample, grade, test and weigh grains and commodities, established by the regulations and instructions under the United States Grain Standards Act and the Agricultural Marketing Act of 1946, and as subsequently amended.

WAC 16-240-034 Service requests. An applicant must place a service request in order to ensure staffing:

- (1) Service requests must be received by the inspection office by 2:00 p.m. of the last business day before the requested service.
 - (a) The notification requirement allows the department to secure adequate staffing to supply the requested service and to accommodate leave or adjust staffing for anticipated workloads.
 - (b) The notification requirement applies even if there is permanent staffing at the location (see WAC 16-240-036).
 - (c) Failure to meet the notification requirement may result in denial of service.
- (2) Service requests beyond the office's usual scope or volume will be provided only if adequate numbers of qualified employees are available.
- (3) The department reserves the right to determine the number of personnel necessary to provide the requested service.

WAC 16-240-036 Permanent staffing requests. An applicant may request the department to establish permanent staffing on shifts as shown below:

- (1) Requests for permanent staffing of day, night, swing, or graveyard shifts must be made in writing at least seven (7) business days prior to the shift(s) that are requested.
 - (a) Requests for permanent staffing of any night, swing or graveyard shift will be deemed to include a request for permanent staffing of the dayshift.
 - (b) The requested shift(s) will be established if the department has an adequate number of trained personnel.
 - (c) Confirmation of staffing requirements must be received by the inspection office by 2:00 p.m. each day Monday through Friday, for the next service day, and by 2:00 p.m. of the last business day before a Saturday, Sunday, or holiday (see WAC 16-240-034).
 - (d) Failure to meet the notification requirement may result in denial of service.
- (2) When the department is able to staff the permanent night, swing, or graveyard shift(s) requested by the applicant, the overtime rate established under WAC 16-240-048 will be waived for the requested shift(s).
- (3) Once established, permanent shifts will continue until canceled by the requesting party or canceled by the department for good cause.
 - (a) Cancellation requests must be received, in writing, giving at least fifteen (15) business days' notice.
 - (b) Applicants will be assessed for any shifts established at their request until the cancellation notice period has expired.

WAC 16-240-038 Revenue minimum determination. The circumstances under which the department assesses additional charges to meet the revenue minimum are as follows:

- (1) When the daily volume of work at a service location at the established fees does not generate revenue at least equal to the straight time hourly rate per hour, per employee, a sufficient additional amount, calculated by using the straight time hourly rate per hour, per employee, will be added to the established fee amount to meet the revenue minimum.
- (2) The daily revenue minimum assessment applies only to the regular metric tonnage rate shown in USGSA Table 1 of this schedule. When the alternate rate is in effect (WAC 16-240-043 and WAC 16-240-070), export locations will not be subject to daily revenue minimum assessments for the balance of the alternate rate period allowed under WAC 16-240-043.
- (3) Work Volume **Daily** Averaging at export locations will be determined as follows:
 - (a) When the daily volume of work at a service location at the established fees does not generate revenue equivalent to the straight time hourly rate per hour, per employee, including applicable supervisory and clerical employee hours, according to the staffing needs at the facility, the department charges an additional fee, as described in subsection (1) of this section.
 - (b) The straight time hourly rate will be assessed per hour, per employee.
 - (c) Service cancellation fees, WAC 16-240-054, are not considered to be revenue under daily averaging.
- (4) Work Volume **Monthly** Averaging at export locations will be determined as follows:
 - (a) When the applicant has requested the department to establish one or more permanent shifts, the applicant may request, in writing, that the revenue minimum required for staffing at the location be determined based on the completed invoices for the calendar month, instead of paying the fees for daily volume of work.
 - (b) When the monthly volume of work at a service location at the established fees does not generate revenue equivalent to the straight time hourly rate per hour, per employee, including applicable supervisory and clerical employee hours, the department charges an additional fee, as described in subsection (1) of this section.
 - (c) At export locations, the request for monthly averaging stays in effect until canceled.
 - (d) An applicant's written request to establish or cancel monthly averaging for the coming month must be received by 2:00 p.m. of the last business day in the month.
 - (e) Service cancellation fees under WAC 16-240-054 are not considered to be revenue under monthly averaging.

Approval by: _____

Federal Grain Inspection Service
United States Department of Agriculture, Grain Inspection, Packers and Stockyards Administration

- (f) The monthly revenue minimum assessment applies only to the standard metric tonnage rate shown in USGSA Table 1 of this schedule. When the alternate rate is in effect, export locations will not be subject to daily revenue minimum assessments during the alternate rate period allowed under WAC 16-240-043.
- (i) Upon the applicant's written notification to the department, the monthly revenue minimum will not be applied within the month in which an export facility resumes operations after an extended downtime. This exception for maintenance or repair is available once per fiscal year.
- (ii) When the department provides services at a non-export location or a transloading facility, and the hourly, unit, and applicable travel fees do not cover the cost of providing the service, an amount at least equal to the straight time hourly rate per hour, per employee, calculated by using the straight time hourly rate per hour, per employee, will be added to the established fee amount to meet the revenue minimum.

WAC 16-240-039 USDA GIPSA FGIS Administrative Fee. The United States Department of Agriculture, Grain Inspection, Packers and Stockyards Administration, Federal Grain Inspection Service assesses a per metric ton administrative fee for export and other grain handled by facilities in the Washington State Department of Agriculture service area.

- (1) Washington State Department of Agriculture will invoice and collect GIPSA's administrative fee at the current GIPSA tonnage calculation or charge on behalf of GIPSA and will pass through the assessment to GIPSA, FGIS.
- (2) Washington State Department of Agriculture will assess the federal fiscal year administrative rate established by GIPSA, FGIS under the guidelines established by GIPSA for collecting the fee.
- (3) The fee assessments under this chapter do not include the GIPSA assessment.

WAC 16-240-040 Official commercial inspection services. The department may provide on-site official commercial inspection services, at the applicant's request, when all of the following conditions are met:

- (1) As applicable under 7 CFR § 800.46, appropriate space and security must be provided by the applicant.
- (2) The applicant must provide a written document fully describing the services requested. The applicant must fully describe the requested services in writing so the department can determine appropriate staffing levels and develop a guarantee of expenses proposal.
- (3) The department must be able to provide appropriate licensed personnel to accomplish the service requested.
- (4) An adequate provision for fees is negotiated.

WAC 16-240-042 Payment of fees and charges.

- (1) All department fees and charges for services rendered are due within thirty days of the statement date. Interest at the rate of one percent per month, or fraction thereof, shall accrue on any balance owed after thirty days of the statement date.
- (2) If the department does not receive payment within thirty days:
 - (a) Services may be withheld until the delinquent account is paid; or
 - (b) Cash payment for subsequent services may be required.

WAC 16-240-043 Minimum operating fund balance fee adjustment. The department shall establish the minimum operating fund balance amount on the first business day of July each year.

- (1) At that time, if the fund balance is above the new minimum operating fund balance amount by at least 10 percent, the metric ton vessel rate and the approved automated weighing system rate per metric ton under WAC 16-240-070 at USGSA Table 1 shall be the alternate fee rate beginning August 1st of that year, and the metric ton vessel rate and the approved automated weighing systems rate per metric ton under WAC 16-240-080 at AMA Table 1 shall be the alternate fee rate beginning August 1st of that year.
- (2) At that time, if the minimum fund balance is below the new minimum operating fund balance by at least 10 percent, the metric ton vessel rate and the approved automated weighing systems rate per metric ton under WAC 16-240-070 at USGSA Table 1 shall be the standard fee rate beginning August 1st of that year, and the metric ton vessel rate and the approved automated weighing systems rate per metric ton under WAC 167-240-080 at AMA Table 1 shall be the standard fee rate beginning August 1st of that year.
- (3) The department may review the status of the minimum operating fund balance any month during each fiscal year. On the first business day of the month following such review, if the fund balance is above the minimum operating fund balance by at least 10 percent, the alternate fee rate established or to be established under subsection (1) shall apply. If the fund balance is below the minimum operating fund balance by at least 10 percent, the standard fee rate established or to be established under subsection (2) shall apply. Any change in the fee rates required under this subsection shall take effect beginning the first day of the following month. The department shall give notice of any rate change as provided under subsection (5).
- (4) The department shall post notice of each year's current minimum operating fund balance amount on the department's WSDAgrades.com website within three business days of the date in July when that amount is established under this section.
- (5) The department shall post notice of the fee rate established under this rule under subsections (1), (2), or (3) on the department's WSDAgrades.com website within three business days of the date the department determines the fee rate. The posted notice shall identify the fee rate for each affected category of service and the date each fee rate takes effect. Notice is not required to be posted when an established fee rate does not change following review under subsection (3).

Approval by: _____

- (6) By email or other means, the department may provide optional additional notice to current customers and to any other interested persons of the minimum operating fund balance established under this section and notice of any fee rates established or changed under subsections (1) through (3). Such optional additional notice should be given within the same times as the required notices under subsections (4) and (5). Subsection (6) shall not affect the validity of any fee rates established or changed under this section.

WAC 16-240-044 GIPSA, FGIS scale authorization. The United States Department of Agriculture, Grain Inspection, Packers and Stockyards Administration, Federal Grain Inspection Service (USDA, GIPSA, FGIS) has delegated official scale testing and scale authorization authority to the department.

- (1) The GIPSA, FGIS scale authorization fee established in WAC 16-240-060, per hour, per employee is assessed when GIPSA, FGIS scale authorization services are performed.
- (2) In addition to the hourly GIPSA, FGIS scale authorization fee; the department may assess travel time at the scale authorization hourly rate, mileage beyond 10 miles from the scale specialist's assigned office location, per diem, or overtime, if applicable.
- (3) All scales in Washington state under USDA, GIPSA, FGIS jurisdiction must comply with the following testing requirements:
 - (a) Scales must be tested and certified for accuracy at least twice each year by an authorized Washington State Department of Agriculture scale specialist or a USDA, GIPSA, FGIS scale specialist.
 - (b) When tested by the department or by USDA, GIPSA, FGIS, a seal must be placed on the scales. This seal must be dated and must indicate approval or rejection.
 - (c) When scales are tested, copies of the test report must be:
 - (i) Forwarded to USDA, GIPSA, FGIS;
 - (ii) Maintained by the department; and
 - (iii) Maintained at the facility where the scale is located.
- (4) The scale authorization fee is assessed in one-half hour increments.

WAC 16-240-050 Calculating travel time, mileage and per diem. The rules for assessing travel time, mileage, and per diem are as follows:

- (1) Travel time: When department personnel perform services at locations other than service points, the applicant, in addition to the fee for the service performed, must pay the department for travel time as follows:
 - (a) Travel time for each department employee from the established service location to the inspection point and return at the hourly rates in effect at the time the service is performed; except
 - (b) Travel time for scale authorization is charged from the scale specialist's location to the scale location and return at the hourly scale authorization rate shown in WAC 16-240-060, USGSA—AMA—WSDA Table 1.
- (2) Mileage: Mileage will be assessed to inspection locations beyond 10 miles from a service point location. Mileage will be assessed from the service point location to the inspection point and return.
 - (a) For scale authorization services on scales located beyond 10 miles from the scale specialist's location, mileage will be assessed from the scale specialist's location to the scale location and return.
 - (b) Mileage will be prorated among applicants when multiple service stops can be scheduled during a single service trip.
 - (c) The mileage rate is assessed according to the state of Washington Office of Financial Management private vehicle mileage reimbursement rate in effect at the time the service is performed.
- (3) Per Diem: Per diem may be assessed when an employee is required to travel to provide services. The charge will be at the rate established by the state of Washington Office of Financial Management that is in effect at the time the service is performed.

WAC 16-240-052 Fees for stowage examination.

- (1) The following rules apply for fees for stowage examination services on vessels or ocean-going barges.
 - (a) At anchor stowage examination services will be conducted at the convenience of the designated grain inspection office during daylight hours under safe working and weather conditions.
 - (b) The applicant is responsible for securing licensed tug or water taxi to provide safe transportation to and from the anchor point.
 - (c) Two vessel or ship's agent representatives will accompany each WSDA inspector performing stowage examination services.
 - (d) In addition to the fee in USGSA Table 7, the department may assess, as applicable, the following fees:
 - WAC 16-240-048 (rates outside of established business hours)
 - WAC 16-240-050 (travel, mileage beyond 10 miles, per diem)
 - WAC 16-240-054 (service cancellation fee)
- (2) The following rules apply for fees for other stowage examination services:
 - (a) Fees for stowage examination services will not be assessed when official sampling and inspection occurs at the time of loading or when official check loading is performed, unless the applicant requests an official stowage examination certificate.
 - (b) The stowage examination requirement associated with service at the time of loading may be waived in accordance with GIPSA, FGIS Directive 9020.1, available from United States Department of Agriculture, Grain Inspection, Packers and Stockyards Administration, Federal Grain Inspection Service.
 - (c) The applicant is responsible for assuring stowage space is readily accessible to inspection personnel.

WAC 16-240-054 Service cancellation fee. A service cancellation fee applies when a shift or service is requested and then canceled.

- (1) When an applicant requests a shift to provide service before or after the inspection office's established hours, a cancellation fee applies as follows:
 - (a) When a service is requested before or after an office's standard Monday through Friday shifts, or anytime on Saturdays, Sundays, or holidays, and
 - (b) The requested service is canceled after 2:00 p.m. of the last business day before the requested service, then
 - (c) A service cancellation fee according to WAC 16-240-060, Table 1, will be assessed per employee scheduled.
- (2) When service is requested for a vessel inspection, a cancellation fee applies as follows:
 - (a) When a vessel inspection is requested and then canceled after 2:00 p.m. of the last business day before the requested service; and
 - (b) The service cancellation fee will be assessed per employee scheduled to inspect the vessel.
- (3) When a facility has an approved permanent staffing request letter in place for the day, night, swing, or graveyard shift, the department waives the cancellation fee for the permanently staffed shift.

WAC 16-240-056 Fees for dedicated staff time. The department provides administrative and consultation services and related assistance to an applicant for service that is establishing a new facility or renovating an existing facility when those services can be provided within the department's established staffing and normal course of business. When dedicated staff time is required to assist an applicant for service to establish or renovate a facility, the following fees apply.

- (1) When dedicated staff time is required by an applicant for service to establish or renovate a facility, the department will charge the applicable hourly rates established in WAC 16-240-060.
- (2) When dedicated staff time is required to add automated systems to a facility or to resolve system installation or operation issues, the department will charge the applicable hourly rates established in WAC 16-240-060.
- (3) When dedicated staff time is required, the department will charge the applicable travel fees established in WAC 16-240-050.
